

EQUIPMENT REPAIR Affinity Program

WDDC is proud to offer the equipment repair affinity program in conjunction with Active Health Mechanical Services. Active Health Services offers its service experience and expertise in the field of veterinary and hospital equipment repair. They are experienced in repairing (but not limited to) autoclaves, scales, centrifuges, microscopes, incubators, table hydraulics, tattoo guns, vacuum pumps, diagnostic equipment etc.

Active Health Mechanical Services is based in Calgary & Edmonton, Alberta. Their expertise with veterinary equipment affords them the ability to quickly and proficiently trouble shoot problems with your clinics' damaged, aging or faulty equipment, saving your clinic time and money. With over 10 years experience in the repair of laboratory equipment & electronic equipment, Active Health

Mechanical Services repair technicians provide an invaluable resource to WDDC Members.

Active Health Mechanical Services include

- Extends to all WDDC Members across Western Canada
- Repair turn around time is fast and efficient
- on-site service calls available
- Professional & Certified service Technicians
- Service calls outside Calgary are negotiable depending on individual requirements.
- 90 days warranty on all labor repairs (shipping not included) Manufacturers warranty on replacement parts.
- Please ensure when sending items to be repaired, that adequate insurance is identified with your courier against damages as WDDC and Active Health Mechanical Services assume no liability for courier damages during shipment to and from Active Health Mechanical Services.
- Invoicing is done through WDDC; simply arrange for the repair service with Active Health Mechanical Services. The repair will be invoiced through WDDC and then applied to your WDDC statement.
- Also offered is a preventative maintenance service, which will prolong the life and effectiveness of your clinic's equipment.
- Should the repair be accepted, the estimate charge will be absorbed into the repair costs.
